

## ABOUT US

At Poderi Sori we're dedicated to first-class viticulture, and since the company was founded we've had one aim in mind: to offer only the very best quality.

After many years of enthusiastic exploration of the Barolo region, Guolf Gattiker and Francis Hodgskin acquired the first BAUDANA vineyard in 1986 and PARAFADA two years later. Both vineyards are BAROLO Cru terroirs, the basis for superior quality with a guarantee label (DOCG).

In 1988, the company PODERI SORI' (translated from Piedmontese: "estates of the best terroirs") was founded and the first wine was made in accordance with local tradition and culture.

Since then, a unique result has been achieved by respecting ancient vine-growing traditions, carefully managing the transformation of grapes into wine and carefully controlling the ageing process in wooden casks.

These premises give rise to wines that are irrevocably linked to the terroir, but with an elegance of complex sensations on the palate, to meet the highest and most demanding European and global standards.

## OUR WINES

### PARAFADA Barolo DOCG

Grown and produced with the greatest care from grapes grown in the Parafada vineyard, a sub-zone of Serralunga d'Alba. The vinification is traditional and the final rounding is done in 25 hl oak barrels. The Parafada was awarded with the Silver medal at "La Sélection" 2023.

### BAUDANA Barolo DOCG

Produced from a vineyard planted in 1997 in the Baudana sub-area of Serralunga d'Alba, using Nebbiolo clones with low productivity but high extract content. The vinification is traditional and the wines are matured in a mixture of 25 hl casks and smaller barrels.

### Francis Langhe Nebbiolo DOC

A balanced spicy wine with strong tannins, but at the same time elegant and discrete, which reaches its drinking maturity after two years, and attains its full potential from three years.

### Bricco dei Gufi Vino Rosso

A charming succession of a careful blend of wines from Nebbiolo and Barbera grapes, refined and aged for 18 months in small barriques. Delicious wine with a delightful appeal to the sense of smell.

### Langhe Sauvignon DOC

A joyful white wine with a fruity nose, made from 100% Sauvignon Blanc grapes. The wine was awarded a Silver medal at the "Expovina Winetrophy" 2023.

## THE WINE TASTING

### BAROLO

Color	Intense, garnet-red tonality.
Flavour	Elegant and intense, characterized by spicy notes, ethereal and fruity. Rounded by floral notes and a scent of licorice.
Palate	Full, warm and harmonious, of great elegance and grace. Sweet tannins. Long and pleasant persistence. Well balanced, extensive finish.
Drinking	Best enjoyment when aged between 10 and 30 years at a temperature of 20 °C.

Vertical wine tasting with 30 years old wines!

### NEBBIOLO

Color	Garnet-red with ruby tint.
Flavour	Discreet spices, fruits and vanilla.
Palate	Soft and balanced with long finish.
Drinking	Best between 3 to 10 years at 20 °C temp.

### BRICCO

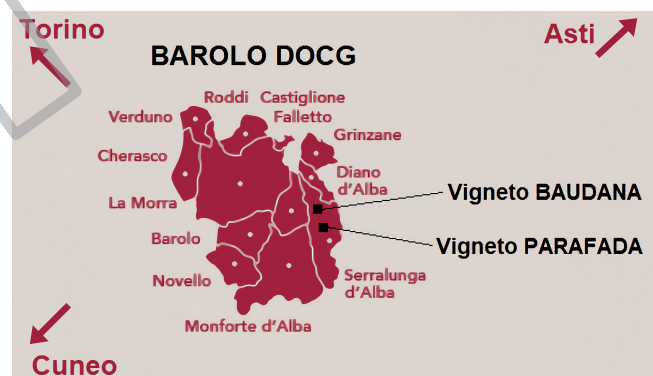

Color	Luminous, excellent density with ruby tint.
Flavour	Flowers, wild berries, ripe cherries to vanilla.
Palate	Optimal roundness, fruity and long finish.
Drinking	Best between 2 to 5 years at 18 °C temp.

## THE VINEYARDS

BAROLO is by definition "The Grand Italian Wine", made entirely from Nebbiolo grapes. It comes from the village of the same name a few kilometers south of Alba. Barolo is produced in eleven communes, all located on the picturesque hills of the Langa, marked by centuries of wine growing and dominated by medieval castles. In the picture below is the Vigneto BAUDANA.

The two vineyards BAUDANA and PARAFADA are located north of Serralunga d'Alba in the BAROLO DOCG wine region. Both vineyards are south-facing and are planted with Nebbiolo grapes. They have an area of about 1.2 hectares each and are located at an altitude between 280-410 m.a.s.l. Annually a total of up to 12,000 bottles of wine can be produced.

## THE VINTAGES

### Baudana 2019 "il moderno"

A modern full-bodied Barolo with sweet tannins, which attains its drinking maturity after about five years and reaches its full potential after ten years.

### Parafada 2019 "il classico"

An elegant and fruity garnet red wine with strong tannins, which reaches its drinking maturity after about five years and attains its full potential after ten years.

### Baudana 2007 "il potente"

A powerful wine with an elegant nose, well balanced and a beautiful bouquet.

### Parafada 1999 "il ricco"

The sweet tannic acid gives the structure to this wine, which opens fresh, fruity and spicy in the mouth. This typical Parafada note highlights the robust, elegant and high quality character.

### Parafada 1998 "l'espressivo"

The warm year of 1998 makes this wine an honest and well-developed dry-spicy table companion.

### Parafada 1997 "il bilanciato"

A balanced but at the same time lively wine with a lovely bouquet and fresh fruity aromas at the peak of its evolution.

### Parafada 1996 "l'imponente"

An impressive, intense wine, with still storage potential, robust and full-bodied.

### Parafada 1995 "l'elegante"

A high quality wine with a round elegant taste and spicy finish.

### Baudana 1993 "l'armonico"

A very well matured wine with a pleasing start and harmonious balance.
